

HEALTH PLAN

McLaren Health Plan is pleased to announce the

Healthy Child Screening Incentive

BMI/BMI Percentile; Counseling for Nutrition and Counseling for Physical Activity for assigned Community and Medicaid members ages 3-17.

This healthy child screening incentive is an easily achievable, simple program. It is designed to reward and recognize our Primary Care Providers (PCPs).

As an incentive for your cooperation in this screening program, MHP will annually reimburse you for each eligible MHP or MHP Community member as described below:

Annual Screening Tests	CPT Code	HCPCS Code	DX Code	MHP Incentive
Documented BMI/ BMI Percentile		G8420; G8418; G8417	Z68.51 – Z68.54	\$5
Documented Counseling for Nutrition	97802 97803 97804	G0270; G0271; G0447; S9449; S9452; S9470	Z71.3	\$5
Documented Counseling for Physical Activity		G0447; S9451	Z71.82 Z02.5	\$5

In order to receive the incentive for each of your eligible members, simply follow these steps:

- Calculate and document their BMI/BMI percentile
- Annually document and counsel for nutrition and physical activity
- Submit a claim to MHP using the identified HCPCS codes and corresponding diagnosis (DX) codes

As an MHP and/or MHP Community contracted PCP, you are eligible to annually bill for and receive one **\$15 incentive** per child.

We look forward to your partnership and collaboration with the **Healthy Child Screening Incentive** and other future endeavors to increase quality outcomes.

We thank you for the quality care you deliver!
