

WOMEN'S GIVING CIRCLE
at McLaren Greater Lansing

Our Women's Giving Circle (WGC) is made up of dedicated and compassionate women who strongly believe in providing the best possible healthcare for our community. WGC donors will come together four times a year to network and inspire each other with one dedicated meeting to vote on how their collective funding will be used to support the needs of McLaren Greater Lansing, an incredibly important initiative.

We thank you for your dedication to McLaren Greater Lansing. Your dedication is remarkable and invaluable.
