CODE H

> PATIENT SAFETY IS IMPORTANT TO US

If you have medical concerns, tell us.

You know your loved one best. If you see changes in their medical condition that are not recognized by the health care team, but you feel need immediate attention:

1. Talk to your nurse

2. Ask to talk to the charge nurse or your loved one's physician

3. If you are still concerned, **dial ext. 3333** from the bedside phone and ask to activate **Code H**. A team of specialized health care professionals will respond as soon as possible.

IF YOU NEED HELP RIGHT AWAY, DO NOT WAIT. FIND A STAFF MEMBER IMMEDIATELY.

For non-medical questions or concerns, speak with your nursing team.

ATTENTION VISITORS: FOR EMERGENCY MEDICAL ASSISTANCE

NOTIFY THE NURSING STAFF, OR DIAL EXT. 3333 FROM YOUR ROOM PHONE TO ACTIVATE THE "CODE H" RESPONSE TEAM TO THE PATIENT'S BEDSIDE.
