

MID-MICHIGAN PHYSICIANS, P.C.

Patient Notice

Please be advised that due to the many hundreds of insurance plans available and the frequent plan changes, we cannot be informed regarding the covered benefits of each patient.

It is **your** responsibility to know and understand the benefits provided and the services covered by your plan.

It is your responsibility to:

- obtain any authorizations needed for referrals and tests ordered prior to receiving the services.
- know your Co-payments, Co-insurance, deductibles and make payment at time of service.
- Understand Pharmacy requirements, Hospitalization notifications, x-ray and lab requirements

We bill charges according to the type of services provided in accordance with Federal guidelines and billing codes established by the AMA and CMS.

Please do not ask us to modify or retroactively change these codes to try to accommodate your coverage.

If you do not have coverage for preventive services notify your provider and the check-in receptionist immediately if you have scheduled a Comprehensive Physical Exam (CPE), Annual Physical Exam, or Well Check. These are only covered by insurance if you have coverage for preventive services.
