

McLaren Health Plan is pleased to announce the

# Chlamydia Screening Incentive

for screening Community and Medicaid members

This chlamydia screening program is an easily achievable, simple incentive plan. It is designed to reward and recognize McLaren Health Plan's (MHP) Primary Care Providers (PCP) who meet the requirement of performing/ordering a chlamydia screening annually for female members ages 16 - 24, and male members age 16 - 18.

As an incentive for your cooperation in this screening endeavor, MHP will reimburse you as described below:

## Procedure Code

**87491-In-office urine test,  
87110, 87270, 87320,  
87810, 87490-87492**

## McLaren Health Plan Incentive

**\$25.00**

For each of your assigned MHP female members age 16 - 24, and male members age 16 - 18, who receive a chlamydia screening as identified by the procedure codes listed above, you will receive a **\$25.00 payment**.

Your current year incentive payment will be distributed in the spring of the following calendar year.

We look forward to your partnership and collaboration with **Chlamydia Screening Incentives** and other future endeavors to increase quality outcomes.

**McLaren Health Plan thanks you for the quality care you deliver!**
