

McLaren Health Plan is pleased to announce the
**Healthy Adult Incentive
Adult BMI**

for Medicaid members, age 18-74

This healthy screening is an easily achievable, simple incentive plan designed to reward and recognize McLaren Health Plan's (MHP) Primary Care Providers (PCP).

As an incentive for your cooperation in this screening endeavor, MHP will reimburse you annually for each assigned MHP member as described below:

Annual Screening Test CPT Code	DX Code	MHP Reimbursement
G8417 - G8420	Z68.1, Z68.20 - Z68.39, Z68.41 - Z68.45, Z68.51 - Z68.54	\$5

For each of your assigned MHP Medicaid members that presents to your office, simply calculate and document their BMI annually. In order to receive your incentive payment, submit a claim to MHP using the identified CPT code and corresponding diagnosis code. As a MHP contracted PCP, you are eligible to receive one **\$5 incentive** per adult annually.

We look forward to your partnership and collaboration with **Healthy Adult Incentive-BMI Screening** and other future endeavors to increase quality outcomes.

McLaren Health Plan thanks you for the quality care you deliver!
