

## Increased Reimbursement!

MHP is committed to appropriate health screenings that aid in the promotion of healthy lifestyles. MHP frequently contacts our member's parents through newsletters, outreach telephone calls and mailings to remind them of the importance of such screenings.

Did you know that you can easily turn a sick visit into a well child visit? When you have a MHP member in your office for **a sick visit** who is also due for **a well child visit**, simply incorporate the elements of a well child exam into the visit, and bill MHP for both the sick and well child services performed. You can do this by adding modifier 25 to the sick visit and **you will be reimbursed for both services.**

Well child visits must include physical, mental, developmental, hearing and vision components, and other tests to detect potential problems.

Please bill age-appropriate well child codes as indicated below. McLaren Health Plan pays you higher than the medical fee schedule, these well child visit codes are now reimbursed at **\$101.00** per visit.

Age	New Patient	Established Patient
Early childhood (1-4 Years)	99382	99392
Late childhood (5-11 Years)	99383	99393

As another way of ensuring that our members receive this important well child exam, MHP will reimburse you for one well child visit each calendar year. You don't have to wait a full calendar year to perform a well child visit.

As a reminder, children must be tested for lead by their 2<sup>nd</sup> birthday. Test your MHP members who are between the ages of 1-2 **and receive additional reimbursement for a lead screening during this visit.**

# McLaren Health Plan invites you to join

## **CLUB 101**

McLaren Health Plan is pleased to announce a new  
Medicaid Primary Care Physician Incentive Plan!

**CLUB 101** is an easily achievable, simple incentive plan  
that was designed to reward and recognize  
McLaren Health Plan's Primary Care Physicians.

**For every well child visit performed and billed to McLaren  
Health Plan for our Medicaid Members ages 1 – 11,  
McLaren Health Plan will reimburse **\$101.00** \***
