

# A Contribution with Lasting Impact:

## SUPPORTING THE MEMORIAL GARDENS

Personalized brick pavers are a tangible way to honor the memory of a loved one. Placed in the garden walkways of Hiland Cottage’s Memorial Garden or Cheboygan Hospice House’s Community Reflection Garden, the bricks are a visible reminder of those who came before, and a source of comfort for all who visit. Funds support annual plantings, new trees, garden enhancements, and garden maintenance.

I WOULD LIKE TO PURCHASE A BRICK FOR THE

- Hiland Cottage Memorial Garden  
*Hospice of Little Traverse Bay*
- Cheboygan Hospice House Community Reflection Garden  
*Hospice of the Straits*
