

➤ Coping with Chronic Medical Conditions

Facilitator: Amy DeLange, LMSW

This 6-week support group is intended for those struggling with any type of chronic medical condition, such as:

- Cancer
- Diabetes
- Heart disease
- Thyroid disease
- Auto-immune disorders

All are welcome, including those recently diagnosed to those experiencing later stages of recovery or loss. Loved ones and caregivers are also welcome to attend.

Tuesdays, Aug. 30 - Oct. 4
6 - 7 p.m.
McLaren Port Huron
Outpatient Counseling Clinic
