BRIDGEPORT RENOVATION

We are nearing the finish line for the Bridgeport renovations. To date, it's safe to say that all of the demolition has been completed. The plumbing has been installed for all of the new bathrooms and we are now in the process of replacing floors and ceilings. We are on track to be done with the project by mid-September.

Thank you for your patience while we work to make improvements. Feel free to contact me with any questions or concerns at 982-9500.

RESIDENT & FAMILY SATISFACTION SURVEY

Thank you to those of you who completed the annual Resident & Family Satisfaction survey. This survey is important in that it gives residents and families the opportunity to rate us on the care and service you or your loved ones receive. Your comments and suggestions are extremely important to our management team as we continue strive for clinical excellence.

If at any time you have comments or suggestions that you would like to share, we have several ways for you to do so. There are suggestion boxes located near the four main entrances, you can use the comment option at mclaren.org/marwood (click on "Contact Us" under the Quick Links tab) and you are always welcome to call me or the Nurse Manager assigned to your neighborhood at 982-9500.

We appreciate the opportunity to care for you or your loved one. Thank you for your continued support and for your participation.

Resident Profile...Barbara Pierson

Barbara was born and raised on a farm in Ingham County near Lansing. She and her three sisters and brother started their education early, having a teacher for a mother. By the age 4, Barbara was reading. She was also taught to play the piano and accordion. As she grew up, she was heavily involved in 4H. She even won a trip to Chicago for her projects in the 4H. She was good at math and good in penmanship. These two skills helped her win the Bookkeeping award in high school. Barb graduated from Michigan State with a degree in accounting, or as it was known then, Business Education. Barb married Thomas, also a Michigan State graduate. They were married for 59 ½ years and had three children, whom they were very proud of. Barbara and Thomas traveled to Florida several times and went camping as far west as Idaho. She still enjoys reading lots of books and is dusting off her piano skills, playing in the lounges. If you stop by her room you will see her ocean and palm tree painting that she did attending a painting class. Barbara's words to live by are "Do your best and be decent to other people. Study hard – that's what's going to make your future." If you find yourself on Lighthouse, stop in and say hello.
