Ambulatory: New Social History Home/Environment Option

April 17, 2024

Effective 4/18/24: A new option “**Patient declines to answer**” has been added to the **Home/Environment** section of **Social History**. When appropriate, users may select the radio button next to this option when asking if the patient has a “History of or currently in an abusive or neglectful situation”.

Social History

Home/Environment

*History of or currently in an abusive or neglectful situation? Yes
 No
