

Hilde Farrow, RN

Nursing Scholarship

The McLaren Flint Foundation
Established by the Rachor Family Foundation, Ltd

Hilde Farrow decided to attend Mott Community College after her third son started kindergarten. A friend was enrolled in the nursing program and the idea of nursing and being able to help patients, their families and physicians appealed to her. After graduation, Hilde began working at McLaren Flint in the Intensive Care Unit (ICU). It was in the ICU that a number of great nurses who fostered her growth as a nurse and taught the importance of always learning and continuing her education mentored her. Hilde worked in ICU as a staff nurse, assistant nurse manager and manager. She received her BSN from the University of Michigan and always tried to assist fellow nurses in pursuing any goals that they might have. Hilde states that she will always be grateful to a vast number of fellow nurses and physicians that she was fortunate to have worked with and from whom she received support.
