

HEALTH PLAN

Referral to Case Management

McLaren Health Plan (MHP) would like to thank you for the high quality services you provide our members. As the Primary Care Physician, you may know of a patient that would benefit from a contact by a Nurse Case Manager at MHP.

There are many reasons for case management. Some examples could be:

- Chronic Disease
- Multiple Medical Problems
- Frequent Hospitalizations
- Complex Social Situation
- Confusion Regarding Health Plan Requirements
- Non-compliance

The nurses at MHP would especially like to contact members who are:

- Pregnant
- Diabetic, Asthmatic or Hypertensive
- In need of Weight Management
- Habitual “no shows”
- Frequent ER Utilizers

If you would like to initiate Case Management for your patient, please complete and fax this form to Case Management at (810) 600-7959.
