Congratulations to Tony Tran, EMS,
who was recently honored with a
McLaren Bay Region Bay Star Award!

Bay Stars are employees, volunteers,
or physicians who perform acts of
bravery, or who extend themselves in a
heroic manner above and beyond their
normal job functions.

Tony was shopping when a man
collapsed near him. Tony assessed
for a pulse, then sent someone for an
AED. Tony and his girlfriend started
CPR. The AED arrived, they checked
him once, then returned to doing CPR.
EMS arrived, and Tony assisted them,

as well as driving the ambulance to the
hospital. On arrival to the hospital, the
man had a pulse and was improving.
Without Tony's quick action, the
outcome would have been very
different.

Clarence Sevillian, President & CEO,
presented Tony with a certificate, Bay
Star pin, McLaren Bay Region bag
and a \$50 E-Shop coupon at the
August 8th management meeting to
reward Tony for his brave efforts.

Thank you, Tony, for Doing What's
Best for our community -- both on and
off the clock!
