OPEN ENROLLMENT FOR 2018

Open Enrollment will be conducted Monday, October 22, 2018 – Monday, November 12, 2018 and it will be a “changes only” enrollment this year. A “changes only” enrollment means that an employee needs to complete a paper open enrollment ONLY IF one or more of the following situations apply:

- You want to start or continue participation in either, or both, the medical or the dependent care portion(s) of the Flexible Spending Account (FSA) programs (the IRS requires annual enrollments for FSA plans)
- You want to make a change

to your coverage from one offering to another (examples: change from MyChoice Premier to MyChoice Premier Plus or pick up life insurance, disability, dental and/or vision coverage)

- You want to make a change to your coverage level by adding or removing dependents from coverage (for example, change from single coverage to 2 person coverage because of a marriage, or move from 2 person coverage to waiving coverage because your spouse obtained coverage through his/her employer)
- You are enrolling in coverage for the first time
- You want to add or remove a dependent

NOTE: Employee assistance labs will be scheduled to answer questions, enroll in voluntary

benefits (Accident, Critical Illness, Hospital Indemnity, Whole Life) or help complete paper forms. See the schedule listed below.

If none of these situations apply, you will not need to complete the open enrollment process, and your 2018 elections will be rolled over to the 2019 plan year.

Employees adding a spouse or a dependent must provide Human Resources with appropriate documents for coverage to be initiated (ie, marriage licenses, birth certificates, etc).

November 12, 2018 at 5:00 p.m. is the absolute last day for you to make changes to your benefits for the 2019 benefit year.

Be watching your home mail for further communication from Corporate Benefits regarding Open Enrollment.
