Blood Administration Billing if Unable to End Unit in Bridge

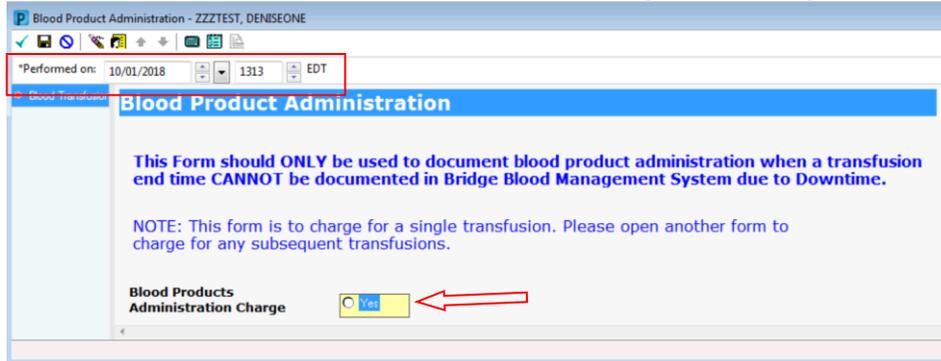

If unable to complete the **End Transfusion** step in Bridge for **any reason** (downtime or otherwise)

1. Locate the Blood Administration Charge form in the Ad Hoc folders; Admission/Transfer/Discharge or Nursing Procedures. Place a checkmark and select **Chart**.

2. Make sure the Date and Time match when the transfusion was performed/completed.
3. Select the radio button for Blood Administration Charges. Click the green check mark to sign.

4. You will complete one form for each individual blood product transfused. You can confirm charges were complete in the Charges Viewer.

Patient Name	Charge Description	FIN Number	CDM	Revenue	Price	Activity Type	S
TEST, DEMO	Blood Transfusion Downtime	70000000042656			See Expanded	Patient Care	Ti
TEST, DEMO	Transfusion Charge Dowr	70000000042656	11000117	0391	\$1651.83	Patient Care	Ti

Only complete form when UNABLE to use Bridge or unable to end transfusion in Bridge!
