Dynamic Worklist - Conditions Column

A fix pertaining to the **Dynamic Worklist** (*the **Conditions** column*) has been applied in the Production domain.

Prior to the Fix: The Conditions column was only displaying Hyperlipidemia, even if other Chronic Conditions were listed on the patient's problem list.

Current State: The Conditions column is now fixed and will pull in any of the following conditions if they are listed as a Chronic Problem on the patient's chart:

Conditions Clear

Or And

- Anxiety
- Asthma
- Chronic Pain
- Congestive Heart Failure
- COPD
- Depression
- Diabetes
- Heart Disease
- Hyperlipidemia
- Hypertension
- Sleep Apnea
