

A MESSAGE TO OUR PATIENTS WE'RE MAKING IMPROVEMENTS FOR YOU!

McLaren Greater Lansing is in the process of implementing a new Electronic Medical Record and data system. This new system will provide quick and accurate access to your medical record at all of our healthcare facilities as well as enhance the quality patient care that you already receive!

As we become more comfortable with our new system, you may experience a slight delay in the check-in and registration process. We apologize for any inconvenience and thank you for your patience during this exciting transition.
