New Blood Culture PowerPlan - “Blood Culture x2 (M)”

- **Issue:** Blood Cultures being cancelled by lab system as duplicate orders
- **General Solution:** New Blood Culture PowerPlan “Blood Culture x2 (M)” has been created and configured to eliminate this issue.
 - a. In PowerChart, search on ‘Blood’ you will find: “Blood Cultures x2 (M)”
 - b. This will order 2 sets of Blood Cultures, 15 minutes apart.
 - c. The first Blood Culture order will be ordered as STAT for the current date/time; the second order will be a Time Study order for 15 minutes later.
