Adding Exam to be performed outside organization to Echo Transthoracic Order

Issue: There is no “Performed outside McLaren” performing location option when ordering Echo Transthoracic Complete

Issue Resolution: Starting on 6/10 there will be a “Performed Outside McLaren” performing location in the drop down. There will also be another field called “Exam to be performed outside the organization?”. This additional field should be set to YES when you are selecting Performed outside McLaren. If it is not you will get the below alert prompting you to select YES.

The screenshot shows a web browser window displaying the 'Details for Echo Transthoracic Complete' form. The form includes the following fields and options:

- *Requested Start Date/Time: 05/29/2019 07:33 EDT
