## Removal of “Scheduling” Icon in Power Chart

To assure that all critical patient information is acquired in the Scheduling process, a decision was made to remove the Scheduling icon in Power Chart for the following positions:

1. Physician – Primary Care
2. Physician – Pediatrician
2. Ambulatory - MA
3. Ambulatory - MA Planned/Proposed

The change will go into effect on December 14, 2018. If you have questions, please reach out to your manager.
