

# 2025 IMPACT REPORT

As we look back on 2025, the words that comes to mind for all of us at the McLaren Flint Foundation is **gratitude and generosity**.

Because of your generous support of the McLaren Flint Foundation and our hospital, we have been able to provide more than just medical treatment—we have provided hope, comfort, and a future for our community. Your commitment ensures that we remain a beacon of health and healing for Mid-Michigan.

Along with support from hundreds of individuals, we also received the largest gift in more than 50 years at McLaren Flint, with a \$6 million contribution from Joe and Julie Serra. Joe was inspired by his successful open heart surgery experience and is now advocating

for others and investing in the very care that saved his life. Their generosity will change and save lives for future patients throughout Michigan.

Every dollar you shared with us this year is an investment in a neighbor, a friend, or a family member. We are grateful that you chose to partner with us in our mission to improve the health of the communities we serve.

On behalf of our staff, and most importantly, our patients, thank you. We wish you a healthy and happy new year.

## YOUR DONATIONS AT WORK

Your contributions this year have made a tangible difference across several vital areas:

- **Exceptional Patient Care:** Your gifts have allowed us to invest in the latest medical technologies and clinical resources, ensuring our patients receive world-class care right here at home.
- **The Future of Nursing:** By supporting students pursuing nursing careers, you are addressing the critical need for healthcare professionals and empowering the next generation of caregivers to achieve their dreams.

- **A Home Away from Home:** Your support for the **Hospitality House at McLaren** has provided a peaceful sanctuary for patients and their families, removing the burden of travel, during some of their most difficult moments.
- **Advancing Women's Health:** Through our Women's Health Initiatives, you have helped fund essential screenings, education, and specialized care tailored to the unique needs of the women in our community.

**\$330,000**

Raised to support Women's Health Initiatives at McLaren Flint

**327**

Patients received support, such as transportation to and from appointments, basic living expenses, and food

**10,401**

The Hospitality House experienced a total footfall of 10,401 visitors, comprising both overnight guests and day conference attendees

**\$160,000**

Raised for McLaren Flint Neurological research project
