Notes

Vacation Policy: Residents are allotted twenty paid weekdays off per academic year. Residents may not have scheduled vacations during inpatient service (wards) ICU, Night Float or Geriatrics rotations. Vacation cannot be taken in such a way as to eliminate entire designated rotations from their schedule. Urgent matters or emergency situations will be the exception per approval from the program director.

Block Comments: Vacation will be allocated from Block 13.

Elective rotations: include Cardiology, Nephrology, Pulmonology, Infectious Disease, Neurology, Hematology/Oncology, Rheumatology, Gastroenterology, Endocrinology. Residents may request Program Director approval to deviate from the listed options given.

Away Elective: One Elective rotation in 3 years may be taken outside McLaren HealthCare system (away elective but must be approved by the Program Administration.)

Ambulatory (AMB) experiences: 1 week each of office Gynecology, Allergy/ Immunology, office Orthopedics, Physical Medicine and Rehabilitation, Office Ophthalmology, Dermatology, Behavioral Medicine, Otolaryngology.
