

Stacey Braden-Brown, RN

Nursing Scholarship

The McLaren Flint Foundation

Stacey Braden-Brown began her nursing journey through her family. As a single mother in her early 20s, Stacey helped take care of her three ailing grandparents. Through this experience, she found a great joy in caring for people of all ages. Stacey obtained training and worked as a Nurse Aid in addition to waiting tables at a local restaurant. With much determination and support from her family, Stacey continued working two jobs while taking care of her young daughter and her grandparents. After six years of diligent work, Stacey graduated with a 3.6 cumulative grade point average to obtain her Associates Degree in Nursing. Stacey has been with McLaren since 1997 and continues to care for patients at the Specialty Center.
