## **The McLaren Flint Foundation Established by the Rachor Family Foundation, Ltd**

Frances Price's interest in nursing began early high school and after graduating from Flint Northern in 1948 went on to receive her nursing degree at Hurley Nursing Program. In 1951, Frances was hired by Margaret McLaren to be one of the first to work at the new McLaren General Hospital, and after working for a few months at the original Woman's Hospital on Lapeer and 8<sup>th</sup> Street, she was assigned to work on the maternity ward where she spent many years taking care of new born infants. Frances always believed in doing the best possible work each day and to fully support the patients and their families. She retired after 34 years as a nurse in 1985 and shortly thereafter joined the McLaren Auxiliary and has dedicated many hours as a volunteer.
