

Taxonomy Requirement

Effective **April 15, 2020**, MDwise will begin requiring the billing provider NPI, taxonomy and corresponding ZIP code+4 on all claims.

For the **CMS 1500** form:

1. Box 24J (bottom): Rendering provider NPI (If applicable- may be the same as the billing NPI)
2. Box 33a: Billing provider NPI
3. Box 33b: Billing provider taxonomy

For the **UB-04** form:

1. Box 1: Billing provider address and zip code+4
2. Box 56: Billing provider NPI
3. Box 81ccA: Billing provider taxonomy

Claims submitted after April 15, 2020 without the required NPI, taxonomy or ZIP code+4 in the appropriate box will be rejected.

For questions regarding this announcement, please contact the Claims department at **1-800-356-1204**.
