QUALITY TIP TUESDAY

Combo 10

HEDIS Description: A percentage of children who receive the following vaccines **before age 2**

This HEDIS metric has a strict age requirement (before age 2). After that date, the metric is not met, but it is still important to complete immunizations.

Vaccination Schedule

Birth to 15 months

Vaccine	Birth	1 mo.	2 mos.	4 mos.	6 mos.	9 mos.	12 mos.	15 mos.
