

THANK YOU FOR BEING A FRIEND OF THE HOSPITAL

As a gesture of gratitude to donors who support McLaren Northern Michigan and its affiliate organizations, McLaren Northern Michigan Foundation established our Friend of the Hospital Program.

As a Friend of the Hospital, you will enjoy exclusive access to a team of compassionate and experienced Registered Nurse

Liaisons and Foundation Staff who will assist you with facilitating your health care journey through the McLaren Northern Michigan system. For those who give at a higher level, our Nurse Liaisons will provide you with a single point of contact to assist you with coordinating your health care needs. Offering you this kind of peace of mind is our way of saying thank you for your generous support.
