Over 100 years ago, our hospital was established by generous benefactors who believed that access to world-class health care should be available here in northern Michigan. Since that time, generations of donors have made transformational gifts in a number of ways. Each has played an important role in helping McLaren Northern Michigan deliver the award-winning care that we are known for today.

Our commitment to quality health care remains as strong today as when the hospital first opened its doors. Thanks to our generous community, we have been able to meet the needs of our patients as advances in diagnostics and treatments progress. Looking to the future, our vision is to fundamentally transform health care delivery in northern Michigan through innovative advancements in patient care and investments in programs, facilities, and equipment that make McLaren Northern Michigan the best place for physicians to practice, colleagues to work, and—most importantly—for patients to receive care.

Building on the tradition of philanthropy established so many years ago, we invite you to consider a giving plan that accomplishes your goals today and benefits future generations in northern Michigan. With generous giving and creative planning, you can make a lasting impact.

Sincerely,

JULIE JAREMA

Chief Development Officer

Give smart with gifts of stock

Donating appreciated stock has become a popular giving option—and one that provides a great benefit to you and our patients. Gifts of stock that have appreciated in value and have been held for at least one year provide you with an immediate income tax deduction based on the current value of the donated securities. Also, because there is no capital gains tax when you make the gift, you save on taxes twice. Giving appreciated stock is just one strategy that makes good financial sense.

REASONS TO CONSIDER

- Potential income tax deduction
- Relief from capital gains tax

“I want my gifts to support the area of greatest need and what is best for our patients.”

DONOR Spotlight | Elise Fisher

As a McLaren Northern Michigan hospital and foundation board member, Elise Fisher Hayes is known for doing what's best for the organizations she serves. Elise continues a family legacy of support for our hospital and a commitment to delivering coordinated, comprehensive health care in northern Michigan.

“Supporting health care in Northern Michigan is a long-standing tradition in my family. We are fortunate to have an extraordinary medical facility with exceptional professionals who deliver unwavering care,” said Elise.

Elise makes tax-wise gifts of stock shares that have grown in value over the years. In doing so, she is able to maximize her philanthropic giving.

Remember us with a bequest in your will or trust

Mary Kay Farley spent her summers in Harbor Springs on the shores of Lake Michigan and was committed to giving back to the community that had given her so much throughout life. Mary Kay passed away in 2014 but her legacy lives on today in the patients whose lives she has touched through her bequest.

A bequest is a gift provision in your will or trust and is one of the most significant and flexible ways to support McLaren Northern Michigan Foundation. It is also one of the easiest gifts you can make. You can give cash, specific property, or a percentage of your estate with or without restrictions.

REASONS TO CONSIDER

- Easy to arrange
- Will not alter your current lifestyle in any way
- Can be easily modified to address your changing needs

HOW TO

Your attorney can include a provision in your will that leaves a lasting gift to our patients.

Sample Bequest Language: *"After fulfilling all other provisions, I hereby give, devise and bequeath to McLaren Northern Michigan Foundation, a nonprofit organization located at 360 Connable, Petoskey, MI 49770, Federal Tax ID #38-2445611, ALL OR A PERCENTAGE of the rest, residue and remainder of my estate to be used for the area of greatest need at the time the gift is received."*

To make sure that your will accomplishes your goals according to your wishes, we recommend that you seek the counsel of an attorney who specializes in estate planning.

"I'm not only investing in the hospital's future, but also the future of our wonderful northern Michigan communities."

JINNY MCCOY

DONOR Spotlight | Jinny McCoy

Jinny is a second-generation hospital benefactor. She continued her family's legacy of support with her first gift more than 40 years ago, and she has made plans to continue her support even after she is gone. Her annual gifts have helped McLaren Northern Michigan become recognized as one of the country's top hospitals. Her bequest will support exceptional care not only for future generations of her own family, but also for all community members, whether they call northern Michigan "home" in the summer like she does or live here year-round.

Putting retirement plan assets *to work*

Did you know that retirement plans funded with pre-tax earnings are often subject to heavy taxation when left to children or others? To eliminate taxation of these assets, many use retirement plan assets to make charitable gifts and leave other assets to family members.

When you name McLaren Northern Michigan Foundation (MNMF) as a beneficiary of your IRA, 401(k), 403(b), or other qualified plan, your gift passes tax free to support the important work of the hospital.

REASONS TO CONSIDER

- Easy to arrange
- You can review and adjust beneficiary designations anytime you want
- One of the most cost-effective gifts, leaving other less-taxed assets for loved ones

HOW TO

It only takes three simple steps to name MNMF as a beneficiary:

1. Contact the administrator of your retirement plan for a change-of-beneficiary form or simply download a form from your provider's website.
2. Decide what percentage (1 to 100) you would like to leave the Foundation and name the Foundation, along with the percentage, on the beneficiary form.
3. Return the completed form to your plan administrator.

“Access to high quality health care for our children and our family is the reason we give and the reason we plan to provide future support.”

Qualified charitable distributions

If you are 70½ years or older, you can take advantage of a simple way to make a tax-free gift from your IRA to benefit McLaren Northern Michigan. You can give any amount up to \$100,000 per year from your IRA directly to a qualified charity such as the hospital. You pay no income taxes on the gift. The transfer generates neither taxable income nor a tax deduction, so you benefit even if you do not itemize your deductions. This popular gift option is commonly called the IRA charitable rollover and is also referred to as a qualified charitable distribution, or QCD. Many donors choose to make their annual gifts using QCDs.

REASONS TO CONSIDER

- A QCD can be used to satisfy all or part of your required minimum distribution for the year.
- Since the gift doesn't count as income, it can reduce your annual income level. This may help lower your Medicare premiums and decrease the amount of Social Security that is subject to tax.

HOW TO

- Contact your IRA administrator and request that a check be issued in the amount you specify directly to: **McLaren Northern Michigan**.
- Have the check mailed to: McLaren Northern Michigan Foundation, 360 Connable Avenue, Petoskey, MI 49770.
- Instruct your plan administrator to include your name and address as the donor of record in connection with the transfer.
- Contact the Foundation at 231-487-3500 so that we are aware of your gift.

DONOR | Catherine "Reezie" DeVet
Spotlight

“I give to McLaren Northern Michigan because I am confident my donation supports extraordinary patient care and excellent staff. I direct gifts from my IRA because the tax benefits of doing so make good financial sense for me.”

REEZIE DEVET

Leave your Legacy with life insurance

Financial and family circumstances change over time. If you purchased life insurance policies years ago, you may have decided that you no longer need the level of coverage that you have today. Giving those policies, or a portion thereof, is a powerful and simple way to support patients and our community.

REASONS TO CONSIDER

- Potential income tax deduction when you assign ownership of a policy
- Flexibility and control when you name the Foundation as a beneficiary
- No outright cost to you in your lifetime

HOW TO

There are three ways to give life insurance to McLaren Northern Michigan (MNMF):

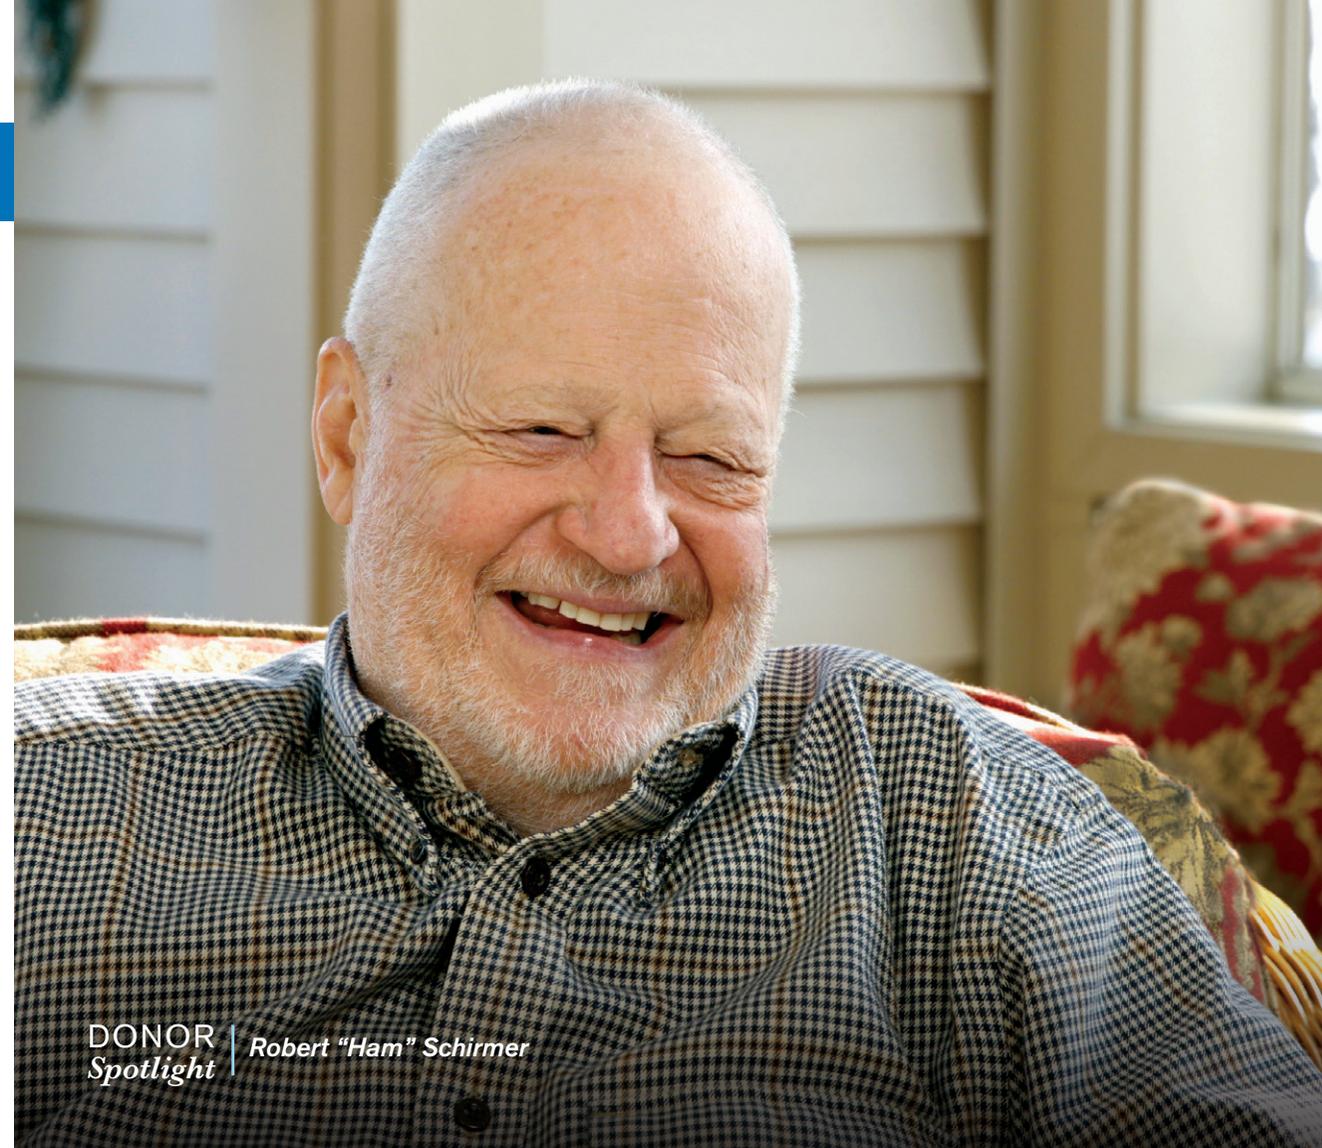

- Name MNMF as a beneficiary of the policy and maintain ownership and flexibility. Simply update your beneficiary form with the policy holder. You can designate McLaren Northern Michigan Foundation as the primary beneficiary or as a contingent beneficiary

for a percentage or specific amount.

- You can name MNMF as the owner and beneficiary of an existing policy. This gift may qualify for a federal income tax deduction.
- Make an outright gift of a new policy. You can take out a new policy and irrevocably name MNMF as the owner and the beneficiary. This method may be attractive for a younger donor. Payments may be tax deductible as a charitable gift.

“It’s important to me to leave something behind.”

ROBERT “HAM” SCHIRMER

DONOR Spotlight | Robert “Ham” Schirmer

Robert “Ham” Schirmer is an active Foundation board member, a strong advocate, a grateful patient, and a contributor committed to leaving a legacy in northern Michigan. “It’s incredibly important for the community to have a strong and healthy hospital. That’s why I give now and why I’ll continue to give in the future,” said Ham. With a gift made possible through a life insurance policy, Ham is leaving a legacy for future patients.

Making a difference with donor advised funds

A Donor Advised Fund (DAF), which is like a charitable savings account, gives you the flexibility to recommend how much and how often money is granted to McLaren Northern Michigan Foundation and other qualified charities. You can recommend a grant or recurring grants now to make an immediate impact, and you can create a legacy in the future by naming McLaren Northern Michigan Foundation as the beneficiary of the fund or a percentage thereof.

REASONS TO CONSIDER

- The DAF handles all record keeping, disbursements and tax receipts.
- The timing of your contributions can be separate from your charitable decision making. You get the tax deduction when you add to the DAF.

HOW TO

Directing a gift from your DAF is simple:

- Contact your fund administrator (either by phone or online) to recommend a grant to McLaren Northern Michigan Foundation.
- Request that your name and address be included so that we can thank you for your generosity.

“We think it’s important that health care workers have access to ongoing learning opportunities – now and in the future.”

DAVE AND BARBARA BUZZELLI

DONOR Spotlight | Dave and Barbara Buzzelli

Dave and Barbara have supported a number of initiatives since 1998, most recently colleague education, with gifts directed from their Donor Advised Fund (DAF).

Additionally, they designated the Foundation as a beneficiary to their DAF to support educational opportunities for staff in the future.

Give a gift of real estate

Before you sell real estate such as a home, vacation property, undeveloped land, farmland or commercial property, consider the option of donating it to McLaren Northern Michigan to support our mission. You can give the property outright, place it in a trust, retain the use of it for life, or give it by will. Any of these methods will enable you to enjoy personal financial benefits while supporting our work in a meaningful way.

REASONS TO CONSIDER

- Receive a charitable deduction based on the value
- Avoid paying capital gains tax on the sale
- Leave a lasting impact on McLaren Northern Michigan

HOW TO

- Please contact a member of our development team prior to making a gift of real estate to structure the transfer in accordance with our gift policy. It's important to note that we have adopted policies to limit the acceptance of certain kinds of real estate.
- An outright gift may be given to McLaren Northern

Michigan Foundation by executing or signing a deed transferring ownership. The value of your gift will be based on the property's fair market value, which must be established by an independent appraisal.

- McLaren Northern Michigan Foundation will sell the donated property and use the proceeds according to your wishes.

GOOD TO KNOW

Did you realize that you can donate your primary residence or your vacation home while also maintaining the right to live in/use the property for your lifetime? This is called a Retained Life Estate. You transfer ownership of a property to McLaren Northern Michigan Foundation but retain the right to live in the property for the rest of your life. You receive a charitable income tax deduction for a portion of the value of the property at the time the gift is made.

Create a lasting tribute

A gift given in honor or memory of a loved one, colleague, or friend is a lasting tribute to the important role that he or she has played in your life. While current, outright contributions are most common, other alternatives exist. You can use appreciated assets or arrange for a gift in your will to create a lasting tribute.

OPTIONS TO CONSIDER

- Establish a permanent endowment fund
- Name a room or space within the hospital “in honor” or “in memory of”
- Name a program or service

BENEFITS

- Your gift may qualify for a potential income tax deduction.
- Eliminate capital gains tax by giving long-term appreciated property.
- Inspire others to support health care in northern Michigan while creating a meaningful and lasting tribute to a special person in your life.

“This scholarship is a gift that will never be taken for granted. Every patient deserves the highest quality of care we can offer. Getting my nursing degree will help me provide my patients with the level of care that I would want for my own family.”
