PHARMACY ACCREDITATION STATEMENT

Michigan Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider to continuing pharmacy education.

This activity is structured to meet knowledge-based educational needs and acquires factual knowledge. Information in knowledge-type activities is based on evidence as accepted in the literature by the health care profession. Pharmacy continuing education (PCE) credit will be earned based on participation in this activity. Attendance and participation are required before obtaining PCE credit. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly.

Participants must complete an online activity evaluation and posttest with a passing score of 70 percent or greater no later than November 2, 2018. Posttests will not be graded and credit will not be processed until the online evaluation and posttest has officially closed for response. Please allow MPA two weeks to grade posttests and process and upload credit to CPE Monitor after the posttest has closed. NOTE: ACPE guidelines prohibit MPA from issuing credit more than 60 days after the activity for any reason; therefore, to avoid denial of credit, it is imperative that pharmacists and pharmacy technicians complete the online evaluation and posttest by the deadline indicated to allow sufficient time for processing. If all requirements are met, participants will receive pharmacy continuing education (PCE) credit through CPE Monitor, a national, collaborative effort by ACPE and the National Association of Boards of Pharmacy (NABP) to provide an electronic system for ACPE-Accredited provider, is required to report pharmacist and pharmacy technicians to track their completed PCE Credits. MPA, as an ACPE-accredited provider, is required to report pharmacists and pharmacy technicians PCE credit using this tracking system. Pharmacist and pharmacy technician participants must provide their NABP e-Profile identification number and date of birth in (MMDD format) when they complete activity evaluations. It will be responsibility of the participant to provide the correct information. If this information is not correctly provided, NABP and ACPE prohibit MPA from issuing CPE credit. Partial credit will not be awarded. If you have yet to sign up for CPE Monitor, go to MyCPEMonitor.net.

ACPE Universal Activity Number 0112-9999-18-571-L01-P and 0112-9999-18-571-L01-T; 4.0 contact hours; Knowledge-based. Initial release date: 10/19/18; Expiration Date: 10/19/19.

Conference Note:

- A full refund will be issued if 96 hours (4-days before conference) cancellation notice is given. No refund will be issued if no notice provided. If cancellation is needed-call 989-894-3783.
- Please bring a sweater as temperatures in the conference room may fluctuate.
