

Our Mission
To Assist Employees

with personal crisis or family emergencies, to provide support for employee sponsored social events and to fund special projects that will benefit our patients, our community and hospital employees.

All employees are eligible to participate in Employees That Care activities. Employees That Care encourages all employees to become active members. All programs and projects are solely supported through employee contributions.

Employees that
Care Club

Making a difference

PORT HURON FOUNDATION

Employees That Care (ETC) Club supports hospital projects that benefit employees, patients and our community. ETC provides support to employees in need, and sponsors special activities for employees and their families.

Committees

Employee Resource Committee

Provides monetary assistance to hospital employees in their time of greatest need through the generous donation of their fellow employees.

Employee Social Committee

Sponsors and participates in several fun, family focused activities for all employees.

Special Projects Committee

Provides assistance for designated projects chosen by the committee members. The projects are broad reaching and serve the purpose of enriching the lives of our employees, patients and their families.

Every Gift Counts

The ETC Club is funded solely by employees who make contributions either through cash donations or through payroll deduction. By joining together, McLaren Port Huron employees have been able to make a significant contribution to each other and our community.

Regardless of how much you contribute, your donation makes a difference.
