Partners in Caring
Many of our patients and their families wish to express gratitude for the care they received at McLaren Port Huron. A gift to the McLaren Port Huron Foundation is a meaningful way to thank your doctor, nurse or other staff, while honoring the work they do.

Giving Back
On average, McLaren Port Huron incurs over $15 million in charity care and bad debt annually.

As a non-profit hospital, McLaren Port Huron is committed to giving back to the community. These community benefit activities take on a number of forms — from educational programs to free or low cost health screenings to charity care. They are all part of our commitment to making a difference in the health of our communities.
