FUNDS  
RAISED WILL HELP EXPANDED CANCER  
SERVICES AT McLAREN PORT  
HURON

With the Karmanos Cancer Institute soon to be part of McLaren Port Huron, our community will have access to world-class cancer care. Our affiliation with one of the country's most respected names in cancer treatment means we are bringing a new standard of care to our local community. Our patients will have access to life-saving clinical trials and a multidisciplinary team of cancer specialists.

But it takes more than the best medicine to survive cancer. Living with, through, and beyond a cancer diagnosis takes a special kind of support. For that reason, McLaren Port Huron Foundation is dedicated to raising funds to support patients and caregivers throughout their journey. This year's Golf Classic proceeds will support the Raising the new Heights campaign bringing the best cancer care to our hospital and patients.
