## Care from the Heart

With decades of service to the community, Marwood has built a reputation for providing excellent care. From the exceptional staff of our long-term neighborhoods to the expert rehabilitation and memory care services, clinical excellence has been our foundation. When you add compassionate hearts to the mix, you have a place people want to call home – a place you know will care for you and the life you want to live.

## Activities & Recreation

Our hope is for all of our patients to live full, active lives. We encourage participation in daily activities that promote physical, mental, and social well-being.

Our wide range of activities include:

- Community outings
- Music therapy conducted by a board-certified therapist
- Art therapy facilitated by a registered art therapist
- Bingo, games, cards, etc.
- Exercise classes
- Socials and special celebrations
- Intergenerational programs
- Weekly manicures
- And more...

## Rehabilitation Services

*Physical, Occupational, and Speech Therapy*

Independence Pointe is a rehabilitation unit at Marwood that is focused on making your stay a short one. Our skilled team of licensed therapists provides intensive rehabilitation therapy while our nursing staff manages your day to day clinical needs. Individualized goals make rehab an easy way to get back to prior functioning and we'll start planning on day one.

Rehab is designed to assist with:

- Stroke
- Heart conditions
- Motor vehicle accidents
- Renal disease
- General orthopedic surgeries
- Cancer
- COPD, MS, and more

## Long-term Nursing Care

Marwood provides security and comfort to individuals who require around-the-clock medical care. Our dedicated staff will provide assistance with the activities of daily living. Each resident's care plan is customized to meet their individual needs and maximize their quality of life.

## Memory Care

Marwood offers a secure unit to meet the specific needs of individuals with Alzheimer's and dementia. This unit is designed to create a familiar and comforting setting that provides stability and stimulation to enable patients to function at their maximum level.

## Hospice & Palliative Care

The staff at Marwood provides supportive care to individuals dealing with an advanced illness with in-house hospice and palliative care services. In addition to daily nursing care, our clinical nursing staff partners with the hospice care team and focuses on managing pain and symptoms and ensuring comfort.
