For the Love of Life.

Administrator's Corner

NO SHOW—MEN & WOMEN WHO COOK

Each year our facility hosts an annual fundraiser called Men & Women Who Cook that takes place in August. This year would mark our twelfth annual event. Because of the pandemic, our event has been cancelled. In lieu of the physical event, we will be hosting a No Show Men & Women Who Cook.

Donors are given the opportunity to support Marwood from the comforts of their home! All funds raised will support the renovation of our rehabilitation gym. We are so thankful to the community for the support we have received for the past eleven years and look forward to reconnecting with our amazing event volunteers and donors next year.

Brian J. Oberly
Administrator

Please watch your mailboxes for your opportunity to show your support!

For more information about Marwood's fundraising efforts or to make a donation, please call Hilary Kuretich at (810) 966-5426 or email her at hkuretich@marwoodmanor.org.

ANNUAL RESIDENT & FAMILY SATISFACTION SURVEY

Thank you to those of you who participated in our annual Resident and Family Satisfaction Survey. More than half of our residents and family participated this year which is an excellent response rate. We are committed to providing the highest quality of care and service possible and will use your comments and suggestions to work toward improving areas that need improvement. Your time and thoughts are greatly appreciated. Please call me or the manager assigned to your or your loved ones neighborhood should you have additional comments or concerns to share. I can be reached at (810) 982-9500.

VISITING RESTRICTON REMINDER

The following requirements are being enforced by our facility to protect our residents and staff from COVID-19. The visitation guidelines that were established by the Governor remain in effect until further notice.

- **Unscheduled visitation is not allowed, this includes meeting your resident at essential appointments and unscheduled patio visits.**
- **Patio or outdoor visits MUST be set up through the Activity Department**
- **Family and friends must refrain from any form of touch which includes shaking hands, hugging, kissing, etc.**
- **Window Visits – If your loved one need assistance to get to the window visit location, please call ahead to arrange the appointment with our staff. The 6 feet social distancing guideline MUST be followed when participating in window visits. Screens should never be removed.**

Any violations of the above listed requirements may lead to resident being moved to the quarantined area of Marwood for up to 14 days with nasal swab testing for Covid-19 before moving back to their long-term care or rehab room.

BEAUTY SALON SERVICES

Over the last few weeks, we've been questioned about the reopening of the beauty salon. Unfortunately, we don't have a definitive answer as to when we will be able to do so. Until the Governor gives us permission to resume services, the salon will remain closed. As soon as we are notified that we can open, we will begin scheduling appointments. Thank you for your continued understanding.

ADOPT A GARDEN BED

Do you have a green thumb? Do you have free time?

If you answered yes to both questions then we have a job for you! Marwood is seeking volunteers to "Adopt a Garden Bed". We have several garden beds located throughout the property that are in need of beautification.

Volunteers will be responsible for:

- Planting annual flowers. We ask that you refrain from trees, shrubs and anything that would impede the view from a resident's room.
- Weeding and pruning as needed

Marwood will supply annuals for planting and will be responsible for watering the plants. At the end of the season, your help in pulling weeds and pruning will also be needed. Please note that the garden bed assigned may not be located in the same area as your loved one. If you are interested in adopting a garden bed, please contact Hilary at (810) 966-5426.

Classic Sudoku—Fill in the blank cells using numbers 1 to 9. Each number can appear only once in each row, column, and 3x3 block.

Courtyard Visits

We appreciate your support and understanding as we work hard to keep your loved ones safe. To help connect families we are now offering supervised outdoor visits **by appointment only**. These visits are only offered on Mondays and Wednesdays between 3:00—4:00pm. Appointments can be made through the Activity Director, Suzanne Jackson at 966-5452.

- Visitors are limited to 2 people per resident.
- Social distancing (6 feet minimum) and face coverings must be maintained/worn at all times.
 - There is no physical contact between visitors and residents at any time.
 - Do not come for your visit if you are not feeling well.
 - Visits will only take place if the weather is nice
- Visits are limited to the Lighthouse courtyard and the courtyard that borders Drapers, Elderberry, and Dockside Patios (Off 12th Street)
- To help maintain infection control we will be sanitizing the railings between visits. There are no chairs available for visitors—please bring your own if you need to sit during your visit.
 - We will be taking temperatures and hand sanitizer will be available to use before the start of your visit.
- Visitors will sign off acknowledging they will follow all current visit regulations prior to the start of the visit.
 - Visits are limited to a max of 10 minutes.

Resident Profile...Karen Adams

Karen was born in Utica and raised around the orchards in Armada and Romeo. She has fond memories of picking apples with her grandfather, who worked for the Stony Creek Orchard. Karen quit high school and got her G.E.D. from Romeo High School in order to join the military. She was inspired by her older brother and a friend who both joined the Marines. While boot camp was hard, Karen found the skills they taught to be valuable throughout her life. She learned to be self-dependent and do what she needed to do to reach her goals. Karen earned the Trainee of Cycle for her unit while in boot camp. During her AIT or Advanced Individual Training, she was trained as a cook. She spent the remainder of her 10 year commitment in the reserves. She served one weekend a month along with a two week deployment to Georgia each year. Karen has always found art to be relaxing. At home she worked on paint by number. At Marwood she often has several coloring books going. She finds colored pencils are her favorite median now. Karen enjoys sitting on the patio or watching the ducks and gardening. At home she would grow a salsa garden. This year she has enjoyed watching someone else do the work. Karen's words to live by are "Never give up, never surrender."

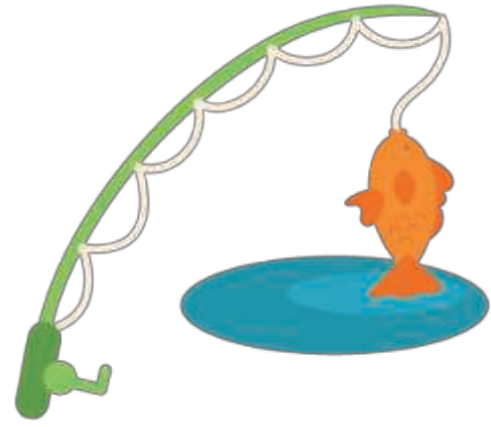

Resident Profile...Kathleen French

Kathleen was born and raised in Port Huron. Her life changed when she was diagnosed with polio at the age of five. She eventually recovered, with some residual problems from the paralysis in her right leg. Kathleen was never able to roller skate or ice skate, but loved watching the roller derbies. Kathleen enjoys music, especially country music. She had a short lived piano career (one year of lessons), but continues to enjoy listening to music. Kathleen retired from Mueller-Brass in 2017 after 60 service years working for them. She started off working a bit during her 11th grade year. Kathleen graduated from Port Huron High School in 1956. She met her husband, Eldon, at Powers downtown. They were married on April 3, 1959. Eldon and Kathleen have two children. Kathleen bowled many years on the Mueller Team. She enjoyed camping, attending Port Huron Hockey games, and going to the casino. She likes to play on her iPad, and has discovered the app to do jigsaw puzzles on hers. Kathleen and her roommate have shared a room since they got to Marwood in February, but they have known each other for more than 60 years. They grew up down the street. Kathleen's words to live by are "Stay Positive".
