Ambulatory: New Smart Templates & Auto-Texts Phrases November 2, 2021

New Smart Templates & Public Auto-Text Phrases Overview

Enhancement 1: Five new Smart Templates are now available within Cerner PowerChart and will allow users to pull in the patient's age, gender, phone number and health plans.

Enhancement 2: Five new Public Auto-Text Phrases (dot phrases) have also been created that have the corresponding Smart Template built in and will pull in the related information.

• Important Note: The AMB – Health Plans auto-text and smart template will not be available until 11/8/21.
