

# CERNER FLASH

## Referral Management MPage Added

#### **Referral Management View**

As part of Bay Go-Live prep, the Referral Management worklist is now available on the organizer toolbar in Powerchart and in Revenue Cycle.

Although the Referral Management worklist is available, no orders will populate to any Bay location worklists until Bay's Go-Live of June 5<sup>th</sup> or after.

<u>Note:</u> LAN, OAK, CNT will see the Referral Management icon and Mpages as well, even though they will not use the functionality until their Go-Live date of July 12<sup>th</sup>.
