

Internship Admissions, Support, and Initial Placement Data

Program Disclosures

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?

No.

Internship Program Admissions

MAHPP Internship program is excited to recruit and train individuals looking to expand their knowledge and experience in clinical health psychology, specifically with an emphasis on integrated primary care and integrated behavioral health experiences. Trainees are a good fit if they are flexible, enjoy working in teams, and in fast-paced environments.

Does the program require that applicants have received a minimum number of hours of the following at the time of application? Yes

Total Direct Intervention Hours: 500 hours

Total Direct Assessment Hours: 50 hours

Preferred for applicants to have previous experience in health psychology, integrated care, and/or multidisciplinary teams.

Financial and Other Benefit Support for Upcoming Training Year

Annual Stipend:

Program provides access to medical insurance for intern? Yes

If access to medical insurance is provided:

- Trainee contribution cost required? Yes
- Coverage of family members available? Yes
- Coverage of legally married partner available? Yes
- Coverage of domestic partner available? Yes

Annual Paid Personal Time Off: 20 hours of PTO (includes vacation and sick time)

In the event of medical conditions and/or family needs that require extended leave, does the program allow reasonable unpaid leave to interns/residents in excess of personal time off and sick leave? Yes

Initial Post-Internship Positions

(Provide an aggregated tally for the preceding 3 cohorts)

MAHPP has it's first cohort of interns in 2025-26. This section will be updated once the current interns graduate in July 2026.

	2022-2025	
Total # of residents in the 3 cohorts	0	
Total # of residents who remain in training	0	
	PD	EP
Academic teaching
