How to Access Your
McLaren CareNow
Health Record Online

Accessing Your McLaren CareNow Health Record

Thank you for visiting McLaren CareNow. To access your health record or test results from your recent visit, please read and follow the instructions below.

1 **Ensure you've provided a valid email address** to the CareNow nurse upon registration/checkout.

2 Following your visit, you will receive an email invitation to register and access your portal account from **HFAAlerts@nextgen.com***

You must click the link and follow the instructions in the email within 5 days or the link will expire. We apologize if this process causes inconvenience, but it is an important part of ensuring your data security and confidentiality.

8 In the orders page, you will see your order history. To view more details, click the link called "RESULTS."

Orders

Some providers prefer to communicate order results to patients via phone or mail. Therefore, those tests or results will not be displayed.

NOTE: Orders containing abnormal results are marked with an icon.

Lab Radiology Consults Office Tests

Order Date	Orders	Ordering Provider	Result Date	Action
10/18/2021 05:12 PM	1. POC COVID RT-PCR	Nurse, Registered		RESULTS

9 Order Results will show you results for your tests and lab work. If you need proof of results for travel or some other means, you can print your order results at the top of the page.
