Referral to Diabetic Education Program

12/9/2019

The correct order to use when needing to refer a patient to McLaren Lansing's Diabetes Education is: **Referral to Diabetes Education Program**. The order is routed to the scheduling queue and the patient is contacted for their appointment.

Clinicians will see 3 required fields on the Referral to Diabetes Education Program:

1. **Reason for Referral:** Available choices listed within the picklist as shown below.
2. **Referral Training Options:** Available choices listed within the picklist as shown below.
3. **Scheduling Location:** Only choice is LAN Diabetes and Education (LN27)
