ACCESS MANAGEMENT OFFICE WORKLIST UPDATES

On **April 29th** there will be **filters added** to the following worklists:

- | | |
|--|----------------------------------|
| Auth Days Ending | Re-Authorization |
| Discharged Incomplete ED Registrations | Recurring - Auth Ending |
| Incomplete Admissions | Recurring - Reviewed > 90 Days |
| Incomplete Verification | Recurring - Reviewed > 120 Days |
| Insurance Denied | Today's Expected Arrivals |
| Interpreter Required | Unavailable Attending Physicians |
| Leave of Absence | Unavailable Referring Physicians |
| Notice of Privacy | |
| Past Due Arrivals | |

When launching, you will be presented with the following filter. Encounters at McLaren Greater Lansing will fall under "Lansing". Other locations will fall under their corresponding LN code.

NOTE: Outlined in blue above, you may skip the filter to bypass this message or you can use the filter to limit the worklist to only show location(s) you want.
