

# CERNER FLASH

## Note Type Updated: Annual Wellness Visit

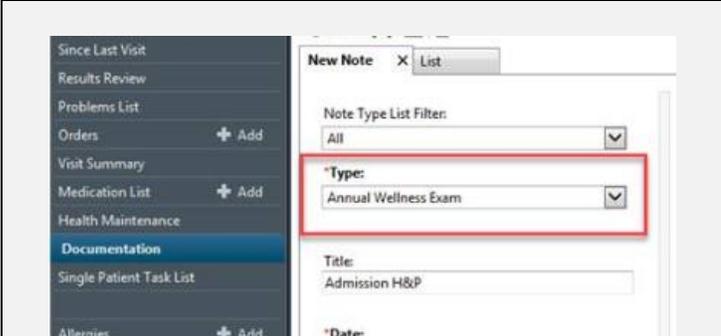

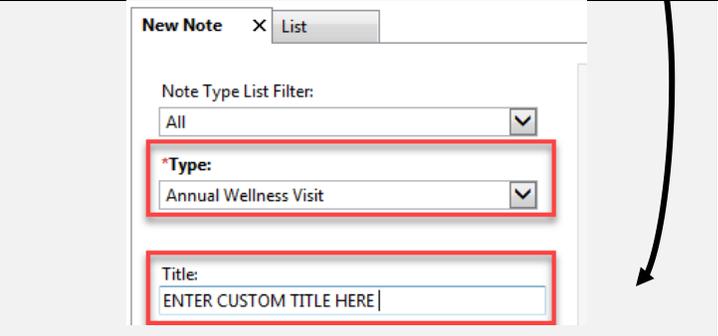

10/16/2019

**Effective:** October 16, 2019.

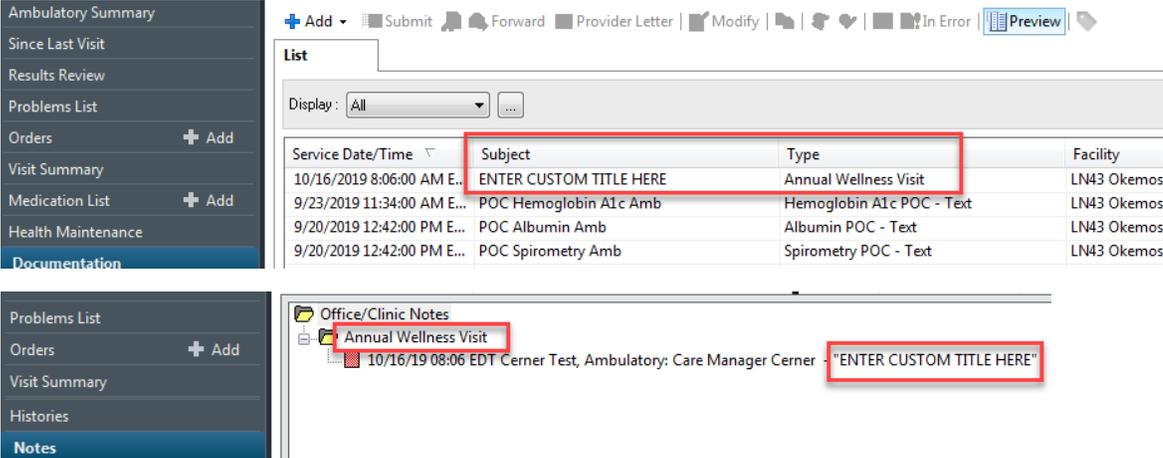

**Audience:** AWV RNs, as well as other care providers performing Annual Wellness Visits.

**Change:** The note type for **Annual Wellness Exam** will be changed to **Annual Wellness Visit**, to more accurately reflect the Medicare visit that is done to develop or update a personalized prevention plan, and perform a health risk assessment.

- **Note:** A free text subject can always be added in the **Title** field for even more specificity.

Old Note Type	New Note Type
	

When reviewing the document at a later date, the **Subject** and **Type** display in both the **Documentation** and **Notes** sections as shown:
