DISCHARGED INCOMPLETE ED REGISTRATION WORKLIST UPDATE

Starting **April 29th**, Emergency visits discharged with a disposition of **Left Without Being Seen** will start to populate to the Discharged Incomplete ED Registration worklist.

What you need to know:

- This update is intended to remediate having these encounters generate charges without an attending physician listed.
- If the patient did not see a provider, the medical director of the emergency department must be entered as the attending physician.
