BE A FLU FIGHTER!

Stop the spread of influenza this winter. An annual flu vaccination is an important step in staying healthy for us, as well as our patients.

Employees **MUST** have their vaccine or have a signed declination by **November 30th**

Employee Health Department is located in the East Tower basement
*Employees on midnights can receive their influenza vaccine in the
Employee Health Office - 6:00am, Monday - Friday*

The Centers for Disease Control (CDC) recommends annual influenza vaccination for everyone 6 months and older. Getting a flu vaccination is one of the most effective ways to help prevent unnecessary deaths and the spread of this preventable disease. At McLaren Health Care, we care about you, your family and our patients' safety. We want everyone to be protected. McLaren requires that all employees seek appropriate immunization, either annually or as dictated by the virus. McLaren requires ALL employees to participate in the annual flu campaign, either by receiving the annual flu vaccination or signing an informed declination. This policy applies to all active McLaren Health Care employees and health care professionals. Also included are medical staff members, advanced practice clinicians, volunteers, students, contract employees and vendor representatives.
