

# CERNER FLASH

## New Resident Pools for LN28, LN29, and LN30

8/28/2019

**Audience:** Residents and Attendings located at McLaren Greater Lansing Family Medicine Clinic (LN28), McLaren Greater Lansing Internal Med Clinic (LN29), and McLaren Greater Lansing OB/GYN Clinic (LN30)

**Change:** We will create new pools for each of the locations above.

**Purpose:** The current Residents and Attendings need to have access to the Inboxes of the Residents that have recently graduated, are on medical leave, etc. The clinics need to continue to review and manage patient care items.

**Impact:** The current Residents and Attendings at the above locations will have access to the Residents patient care items.
