October 2020

Dear Business Leader,

Imagine Providing A Haven of Hope and Healing for Patients and Families When They Need It Most! The 2021 McLaren Charity Gala is supporting the Hospitality House at McLaren. During this time when we can't celebrate together in person, we will be bringing the Gala to you for a Virtual celebration everyone can enjoy. You can expect an imaginative, entertaining and inspiring event to be enjoyed from the comfort of your home.

The Hospitality House provides a healing, caring and comfortable environment for patients and their caregivers who are traveling long distances for treatment at McLaren Flint. Some of the patients are those traveling to receive Proton Therapy which requires treatment daily for six to eight weeks. The House is adjacent to the Cancer Center/ Proton Therapy Center and provides comfortable, extended-stay housing at no or minimal cost. A full complement of activities, programs, quiet spaces and amenities are available at this facility providing a peaceful and renewing experience for guests.

How can you help and be involved? There are a couple of ways:

- 1) Support the Virtual Event** - Being held on Saturday, January 23, 2021 by becoming a sponsor. Please see the attached Sponsorship Opportunities List for more details.
- 2) Donate a Silent Auction Item** - The Silent Auction is one of the main highlights of the gala.

By participating in one or more of the methods outlined above, you will help make an impact in the health and well-being of others.

We greatly appreciate any support you can give! Your contribution will be recognized in a variety of ways leading up to the event and throughout the Virtual Gala. The McLaren Charity Gala is supported by many, including local business leaders, physicians and members of the medical community, community leaders and concerned citizens who wish to support this worthwhile cause.

Thank you for your time and consideration in support of the McLaren Charity Gala! Should you have any questions, please contact the McLaren Flint Foundation office at (810) 342-4087.

Warmest regards,

Chad Grant
