

MEET McLAREN

BEHAVIORAL HEALTH

Skilled behavioral health teams led by psychiatrists—including psychologists, nurse practitioners, social workers, nurses, therapists, counselors, and technicians—provide comprehensive treatment services. From inpatient psychiatric care to intensive day programs and outpatient services, our clinicians work closely with individuals to evaluate challenges and develop personalized care plans.

Our goal is to maximize quality of life, helping people quickly restore normal routines. Available 24/7, our therapeutic programs support community members in need.

CONDITIONS TREATED

- Depression, including severe depression with suicidal or homicidal thoughts
- Bipolar disorders
- Psychosis and thought disorders
- Anxiety and panic disorders
- Post-traumatic stress disorder
- Adjustment and stress-related disorders
- Substance use disorders when combined with psychiatric disorders (dual diagnosis)

Inpatient and Partial Hospital Psychiatric Treatment

- Psychiatric evaluation and daily follow-up
- Comprehensive physical assessment
- Nursing assessment and 24-hour nursing care
- Recreation/occupational therapy assessment
- Individualized plan of services which may include group psychotherapy, recreational/occupational therapy, patient education, individual and family therapy, and psychological evaluation
- Biopsychosocial assessment
- Development and coordination of aftercare services

Intensive Outpatient and Outpatient may include:

- Psychiatric evaluation and treatment
- Psychological evaluation
- Individual, family and couples psychotherapy
- Group psychotherapy
- Patient education

Psychiatric consultation services on acute medical surgical floors.

ED and Acute Inpatient Telepsychiatry

ED and Acute Inpatient Telepsychiatry consults through Iris Telehealth are available 24/7 at McLaren Greater Lansing, Northern, Bay, and Macomb; and Monday–Friday from 8 a.m. to 5 p.m. at Thumb and Caro.

To request a consult, please use the order **“Consult to Psychiatry Tele-Health – Iris Health”** AND call (517) 370-2214.

ACCESS TO CARE – BEHAVIORAL HEALTH INTAKE SERVICES

When individuals require intensive inpatient psychiatric care, McLaren’s Behavioral Health Intake Service provides seamless support. Operating seven days a week from 6 a.m. to 10:30 p.m., our staff coordinates with eight McLaren hospitals to ensure patients receive the right care at the right time.
